PROJECT WORTH / LIGHT THE WAY FOUNDATIONS

Child Protection Policy Builder

Turn an identified gap into a fair, practical safeguarding standard.

YOUR POLICY IN FIVE STEPS

Organization / team: _____ Date: _____

01 IDENTIFY THE CHILD-SAFETY GAP

What practice, pattern, or process failure needs to change?

_____

_____

02 SET THE STANDARD FOR EVERYONE

Who must follow it? ☐ Staff ☐ Volunteers ☐ Leadership

What boundary, behavior, or expectation will be written into policy?

_____

03 MAKE THE REPORTING PATHWAY CLEAR

Where can someone raise a concern if leadership is involved?

_____

Who documents, preserves, and independently reviews the concern?

_____

Internal processes do not replace legally required external reports. [2]

04 BUILD IN SAFETY AND FAIR PROCESS

☐ No retaliation ☐ Conflict checks ☐ Privacy

What interim safeguards or fair-review steps may be needed?

_____

05 ASSIGN OWNERSHIP AND CHECK RESULTS

Owner: _____ Review date: _____

How will we know this safeguard is working?

_____

POLICY TEST: Would this work if the concern involved the most trusted person here?

Based on: CDC youth-serving prevention [1]; WI DCF reporting [2]; Royal Commission [3].

Educational tool. Project Worth statewide reporting proposals are not established services.

Together, we light up the darkness.
